

Bishop's Hull Car Boot Sales 2021 - Impact of Government Lockdown Regulations

The Government's latest regulations set out the earliest dates for the four 'STEPS' for raising lockdown.

From this it is clear no car boot sales are possible before 17th May (Step 3).

Specific regulations for Car Boot Sales are not available yet, but Sales may be possible during Step 3.

During Step 4, we hope to be able to run Car Boot Sales, but this depends on the regulations.

Decisions about Refreshments and toilets (essential for Sales) will depend on National Guidelines.

These details are summarised here:
