

## A message from our new Chair – Jon Lee

In March we held our 2021 AGM online with many of those who have been involved on our journey. It was a pleasure to be able to share our updates and reflect back on where we have come from and the progress we have made in the past year. At this AGM our Founding Chair and passionate driver behind the building of The Hub project, Richard Holland, decided to step down as Chair. I was privileged to be voted in as the next chair to take on this incredible journey for the village, supported by a strong team of local volunteers to make this building a success.

I would like to take this opportunity to introduce myself to those who I haven't met yet. I have lived in Bishops Hull for just over 4 years now and have been involved in the Bishops Hull Hub for nearly as long from when we first joined the new group who were taking on this challenge. I am married to Leanne and we have a young family of two girls Annie, aged 4, and Pippa 1. I have a very fulfilling vision of what the Bishops Hull Hub can offer our local community. Both in the provision of the incredible new building we have for our use and also in the ways we can uphold our community ethos through organising fun, social and accessible events held in our village of Bishops Hull.

Personally, I am excited for how we will be able to use the Hub as our family grow up in Bishops Hull and know there are many other families of all ages who will be able to benefit from the events and groups which will be held. Our booking schedule is filling up well with a diverse range of activities run by local people and organisations. In addition to the regular groups, we are keen to be accessible for your birthday parties, celebrations or any event you wish to use our fabulous facility for.

## Fund Raising Events Continue

### Bishops Hull Jumble Trail: Saturday 5th June 11am – 2pm

A Jumble Trail is a garage sale that happens in multiple homes at the same time. Households are invited to hold a garage sale on their front garden or drive between 11am and 2pm on Sat 5th June. Register your stall with us so that we can put you on the Jumble Trail map. The map will also indicate stall types. Categories include: baby & toddler; plants; bric-a-brac, clothes, other (please specify). We hope that there will be some food stall dotted around the village for takeaway food and drinks.

So get ready to have a clear out by registering your stall at [bishopshullhub@gmail.com](mailto:bishopshullhub@gmail.com). Cost of registration is £5. Once you have registered we will send you the guidelines for running your stall with the social distancing measures and tips for making it a successful day. Last registrations 2nd June at 5pm.

To simply browse the stalls you can access a printable map at our website on the day [www.bhHub.co.uk](http://www.bhHub.co.uk).

**100 Club** – Underway now with first winners announce. Tickets still available.
