

Bishops Hull Hub

The Bishops Hull Hub are proposing to construct a new community facility on the village Playing Field next to the existing Pavilions.

The new building will provide the facility for indoor sports and recreational space to be used by all the community and complement those currently available.

We would love to hear from you to hear your thoughts and how you can get involved. Please get in touch, we are a friendly bunch.

Summary of Funding

Construction Costs Breakdown	Professional Fee Breakdown
Total Estimated Cost is £420,000 plus installation of the carpark and access road.	Most of our progress is due to our voluntary team, but we do need funds for professional fees for the design and planning. This is where our community events help.
