

# Short bike rides from Bishops Hull

## Bike ride 1

### Bishops Hull to Middle Stoford and back

9 miles

**Comeytrowe Lane**

From the Meryan House Hotel go past the Bishops Hull Post Office and the butcher's shop along Bishops Hull Road to Wellington Road. Cross over into Comeytrowe Lane. Shortly after descend a hill and at the bottom (0.40 miles from crossroads) turn left then immediately right, signposted Trull.

**Cutsey House**

Continue along this lane for 0.86 mile until you come to a T junction, where you turn right. Follow this road for 1.66 miles. It leads steadily uphill towards Angersleigh. Eventually you pass under the M5 motorway. Take the first right after this.

This road goes up a small incline then there is a descent towards Harpers Farm. At the T junction (0.63 miles) turn right. This road takes you back over the M5 and past Cutsey House.

**View over Taunton**

At the next junction (0.48 miles) bear left and follow the road for 0.42 miles when you take a right turn towards Middle Stoford. After another 0.62 miles, just before Middle Stoford, you arrive at another T junction. Turn right.

You are now on the return journey. The road climbs gently at first then there is a steep rise. Once you have cycled or walked up this hill there is a downward journey back to Comeytrowe Lane. Again you may have to walk up the last steep incline before reaching the top.

You now retrace your route back to the Post Office or possibly the Old Inn.
