Bike ride 4

Bishops Hull to Pitminster and back

10 miles

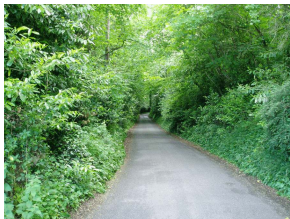

Road back to Trull

From the Meryan House Hotel go past the Post Office and butcher's shop along Bishops Hull Road to Wellington Road. Cross over into Comeytrowe Lane. Shortly after descend a hill and at the bottom turn left, signposted Trull, then immediately right.

Trull Church

Continue along this lane for 0.83 miles until you reach a T junction, where you turn left. At the next T junction (0.08 miles), which is in Trull, turn right then left (0.04 mile) into Church Road. This road goes past the church and the Winchester Arms then up a hill and bends to the right. The church is worth a visit to see the carvings on the wooden pulpit and the bench ends. Follow this road past Amberd and over the M5 motorway.

Poundsford Park

The road continues down a hill through some trees, which are usually full of bird song. Eventually, after 2.32 miles from entering Church road, you come to a road junction where you bear right, sign posted Blagdon. The road goes through Pitminster and passes the Queens Arms pub. After 0.71 miles from the last road junction you will arrive at a main road.

Turn right onto this road (signposted Taunton). Enjoy the mainly downhill ride back to Trull, passing the Crown Inn on the way. After 2.06 miles, opposite the stores, turn left into Dipford Lane then soon right into Comeytrowe Road to retrace your route back to Bishops Hull
